WORK EXPERIENCE

Year	2016-to date
Occupation or position held	Head of Research and Development; Guarantor of a Bachelor Academic Study Program in Addictology; Member of an Academic Board of the Doctoral Study Program in Addictology; Ph.D. Supervisor
Name and address of employer	Charles University, 1st Medical Faculty, Department of Addictology, Apolinarska 4, 120 00 Prague 2, Czech Republic
Year	2009-2015
Occupation or position held	Head of the Prevention Centre, Interim head of the Treatment Centre; Researcher/lecturer/instructor; Board member of post-graduate study program of addictology, Supervisor of Ph.D. students
Name and address of employer	Charles University in Prague, 1st Medical Faculty, Department of Addictology, Apolinarska 4, 120 00 Prague 2, Czech Republic
Year	2005-2009
Occupation or position held	Researcher, Teacher
Name and address of employer	Charles University in Prague, 1st Medical Faculty, Department of Addictology, Apolinarska 4, 120 00 Prague 2, Czech Republic
Year	2007-2008; 2013-2014
Occupation or position held	Researcher
Name and address of employer	General Teaching Hospital, U Nemocnice 2, 120 00 Prague 2, Czech Republic
Year	2006-2007
Occupation or position held	Lecturer of supportive forms of pedagogical activities
Name and address of employer	Charles University in Prague, 1st Medical Faculty, Institute of Medical Biochemistry, Kateřinská 32, 120 00 Prague 2, Czech Republic
Year	2004-2008
Occupation or position held	Trainer
Name and address of employer	Personal and Psychological Consultancy, Zlín, Czech Republic

EDUCATION AND TRAINING	
Year	2018
Title of qualification awarded	Associate Professor
Name and type of organisation providing education and training	Charles University, Philosophical Faculty, Czech Republic
Year	2012-2013
Title of qualification awarded	Addictology qualification, health non-medical profession
Name and type of organisation providing education and training	Charles University in Prague, 1st Medical Faculty, Department of Addictology
Year	2011
Title of qualification awarded	Professional affiliation, training, Hubert H. Humphrey Fellowship Program
Name and type of organisation providing education and training	Behavioral Pharmacology Research Unit, The Johns Hopkins University School of Medicine, Baltimore, MD, USA
Year	2010-2011
Title of qualification awarded	Humphrey Fellow (Hubert H. Humphrey Fellowship Program, non-degree study program)
Name and type of organisation providing education and training	Johns Hopkins Bloomberg School of Public Health, Baltimore, USA
Year	2003-2008
Title of qualification awarded	Doctor of Philosophy (Ph.D.)
Name and type of organisation providing education and training	Masaryk University in Brno, Faculty of Social Sciences, Czech Republic
Year	1997-2003
Title of qualification awarded	Master of Arts (M.A.) in Psychology
Name and type of organisation providing education and training	Palacky University in Olomouc, Philosophical Faculty, Czech Republic
Year	2007-2011
Title of qualification awarded	Accredited training in Gestalt psychotherapy (620 hours)
Name and type of organisation providing education and training	Dialog Institute
Year	2007
Title of qualification awarded	Introduction to hypnosis (40 hours)
Name and type of organisation providing education and training	Czech Psychiatric Society, Section for Hypnosis (prof. Stanislav Kratochvíl), Kroměříž
Year	2006
Title of qualification awarded	Sculpturing as an instrument for self-exploration and psycho-therapeutic interventions

Name and type of organisation providing education and training	Institute of Virginia Satir Czech Republic, Ostrava
Year	2005
Title of qualification awarded	Dance therapy
Name and type of organisation providing education and training	Fokus Praha o.s.
Year	2005
Title of qualification awarded	Body-work in psychotherapy
Name and type of organisation providing education and training	Prague

AWARDS

2013 Rector's financial award to the PI Roman Gabrhelík for the project GAČR no. 13-23290S (40k CZK)

ANNEXES

No. 1: Main Project Participations
No. 2: Important Publications

Annex No. 1: Main Project Lead and Participation

2017-2022	Principal Investigator (PI); Modernization of a doctoral study program in addictology in prevention science and treatment of substance use [Modernizace doktorského studijního programu oboru adiktologie v oblastech výzkumu prevence a léčby závislostního chování]; ESF proj. no. OPVVV 611/108/18-2489-1; 8,628,761 CZK
2017	Principal Investigator (PI); Comprehensive mapping of readiness for harm reduction and treatment for research on the effectiveness of pharmacotherapy and the potential introduction of drug addiction to methamphetamine in the Czech Republic; Funding of the Czech Government (no. A-70-16); 660,000 CZK
2017-2018	Leader of a Work Package: Implementing a prevention training curriculum in Europe: Adaptation and Piloting. Funding, no. HOME/2015/JDRU/AG/DRUG/8863); coordinator: Peer van der Kreeft, Belgium); €458,822.85.
2017	PI; Implementation, evaluation, and maintenance of and analysis of data from the on-line Reporting System of Prevention Interventions in the Czech Republic [Podpora implementace, evaluace a správa on-line systému výkaznictví preventivních aktivit ve školách a zpracování výstupů v ČR]; Ministry of Education (no. PRCH-IP-0100/2017); 237,167 CZK
2017-2018	Research Supervisor; Mapping the availability and level of eHealth applications for cessation of smoking and Czech localization and the functional setting of eHealth application for cessation of smoking; PI Adam Kulhánek, Grant Agency of Charles Uni no. 764217
2016-2018	Leader of a Work Package: StopSV – Staff training on prevention of sexual violence: developing prevention and management strategies for the nightlife workplace. Funding, no. JUST/2015/RDAP/AG/SEXV/8513); coordinator: Amador Calafat, IREFREA – ESPAÑA €501,495.00.
2016-2019	Research team member; A cohort of women using methamphetamine, heroin, and women in opioid substitution during pregnancy: neonatal and long-term consequences for the child [Kohorta žen užívajících metamfetamin, heroin a žen v opiátové substituci během těhotenství: neonatální]; Ministry of Health AZV (no. 16-28157A); 3,763,000 CZK.
2016	Principal Investigator (PI); Comprehensive mapping of readiness for harm reduction and treatment for research on the effectiveness of pharmacotherapy and the potential introduction of drug addiction to methamphetamine in the Czech Republic; Funding of the Czech Government (no. A-70-16); 500,000 CZK
2016	Research Supervisor; Adaptation and pilot testing of functionality and user friendliness of the online intervention preventing relapse in tobacco smokers; Funding of the Czech Government (no. A-71-16); 400,000 CZK

2016-2017	PI; Randomized Prevention Trial of the Universal Drug Prevention Interventions Targeted on Alcohol, Tobacco, and Marijuana; Grant Agency of the Czech Republic (no. 16-15771S); 2,340,000 CZK
2016-2018	PI; Promoting participation of psychologists from the Czech Republic in the governing bodies of international societies in the field of psychology [Podpora účasti psychologů České republiky v řídicích orgánech mezinárodních společností oboru psychologie] Ministry of Education (no. MSMT-32106-2015-1); 1,212,000 CZK
2016	PI; Implementation, evaluation, and maintenance of and analysis of data from the on-line Reporting System of Prevention Interventions in the Czech Republic [Podpora implementace, evaluace a správa on-line systému výkaznictví preventivních aktivit ve školách a zpracování výstupů v ČR]; Ministry of Education (no. 0027/PP/2016); 340,806 CZK
2014-2015	Leader of a Work Package: Development and pilot implementation of a School-based Prevention Reporting System; Project: Implementation and evaluation of the minimum prevention program, system tools in education and the creation of the collection system in prevention of risk behaviors for school workers and educational institutions nationwide; Coordinator: prof. Michal Miovský, CUNI (no. OP VK CZ.1.07/1.1.00/53.0017); €~1,000,000.
2014-2016	PI of the Czech partner; "Boys and Girls PLUS", JUST/2013/DPIP/AG/4779); coordinator: Peer van der Kreeft, Belgium.
2014	PI; Randomized Prevention Trial of the Universal Drug Prevention Intervention Unplugged with Booster Sessions Targeted on Alcohol, Tobacco, and Marijuana; Rozhodnutí MŠMT č. 0093/PP/2014 týkající se projektu z oblasti primární prevence rizikového chování.
2013-2014	PI, Innovation of the Doctorate Study Program of Addictology at the General Teaching Hospital in Prague and the 1st Faculty of Medicine, Charles University in Prague with Recent Perspectives in Biomedicine; ESF proj. no. CZ.2.17/3.1.00/36064
2013-2015	PI; Randomized Prevention Trial of the Universal Drug Prevention Intervention Unplugged with Booster Sessions Targeted on Alcohol, Tobacco, and Marijuana; Grant Agency of the Czech Republic grant no. 13-23290S.
2013-2015	PI of the Czech partner; "Promoting Excellence in Drug Prevention in the EU", JUST/2011-2012/DPIP/AG/4000003645; coordinator: prof. Harry Sumnall, Liverpool John Moores University, Great Britain
2012-2015	PI of the Czech partner; SPAN – Science for Prevention Academic Network"; LIFELONG LEARNING PROGRAMME; Project number 526773-LLP-1-2012-1-UK-ERASMUS-ENW, Coordinator: prof. David Foxcroft, Oxford Brookes University
2012-2013	PI of the substudy: Methamphetamine: Craving and Use During the Transition Period from In-patient to Out-patient Treatment (PRVOUK-P03/LF1/9);
2012-2013	Research Supervisor: Drug Use in Adolescents and College Students; PI: O. Orosova, Slovakia (APVV–0253–11).
2010-2012	Team member; European Family Empowerment: Improving family skills to prevent alcohol and drug related problems (European Commission, Directorate-General Justice, Freedom And Security, Directorate D: Civil justice, rights and citizenship Unit D4: Financial support for Fundamental rights and citizenship, no. JLS/2008/DPIP/AG/112 30-CE-0312762/00-34); coordinator: Amador Calafat, IREFREA – ESPAÑA.
2009-2012	PI (since 8/2011); Development of a modular system of education in prevention of risk behaviour for pedagogical workers and counsellors in schools and school institutions on the national level; European Structural Funds programme (no. CZ.1.07/1.3.00/08.0205); €1,200,000.
2009-2011	Team member; Developmnet of the external bachelor level studies in addiction science at the 1st Faculty of Medicine of the Charles University in Prague; European Structural Funds programme (no. CZ.2.17/3.1.00/31484)
2009-2011	Team member; Development of the full-time master level studies in addiction science; European Structural Funds programme (no. CZ.2.17/3.1.00/31430)
2009	Team member; Development and stabilization of the multi-purpose adictological preventive-information and outpatient unit for students of the Charles University in Prague. Project leader: Hana Gajdosikova, Czech republic.

2009-2010	Research team member; „EU-Dap2“; coordinator: ass. prof. Michal Mioviský, Grant Agency of the Czech Republic grant no. 406/09/0119
2008-2010	Team member; Project EU-Dap TOT network: European Drug Abuse Prevention training of trainers network (European Commission, Directorate-General Justice, Freedom And Security, Directorate C: Drug Prevention And Information, Rights And Citizenship, Grant Application Specific Transnational Projects, no. JLS/2007/DPIP-1/21 30-CE-0227140/00-69); coordinator: Peer van der Kreeft, Belgium.
2007-2009	Team member; Drug Use and Sexual Abuse; DAPHNE II, funded by EC; coordinator: Adriana Maestro, Italy.
2007-2009	Research team member; „EU-Dap II“ (European Drug Addiction Prevention Trial); coordinator: prof. Fabrizio Faggiano, Italy.
2007-2008	Co-PI: „The role of pharmacies in the prevention of infectious diseases in injecting drug users in the Czech republic“; leader: ass. prof. Michal Mioviský, IGA MZ Czech republic No. NR9447-2.
2006-2007	Member of the team of the implementation project „Development of E-learning“, European Structural Funds (JPD 3) programme; 1st Medical Faculty, Charles University in Prague; leader: prof. Štípek.
2005-2007	Leader of the project „Development of the full-time bachelor level studies in addiction science“, European Structural Funds (JPD 3) programme; 1st Medical Faculty, Charles University in Prague.
2005-2006	Member of the implementation team of the project „Centre for addictology – information, consulting and research services in further education and development of various forms of further education“, ESF (JPD 3) programme; 1st Medical Faculty, Charles University in Prague; leader: Müllerová, M.A.
2005-2006	Leader of the research study "Assessment of the Psychoactive Substances Use and Evaluation of Drug Services in the former Nový Jičín county".
2006	Member of the research team „Needs analysis of Clients in Drug Treatment Services and their Use at the Labour Market“.
2005	Head of the project "Procrastination in the academic settings: Theoretical-critical analysis and validation of self-assessment scale of procrastination in college student population" (FRVŠ 2663/G5).
